Trust ID: ECC TRUST JDC 005 Sovereign Executor, Living Trustee and Divine Custodian: Jonathan Daniel Clements Date of Issuance: May 10, 2026

TO ALL NATIONS, GOVERNMENTS, COURTS, CORPORATIONS, INTERNATIONAL BODIES, FIDUCIARIES, AND THE WORLD AT LARGE: PUBLIC JUDICIAL NOTICE OF GLOBAL LIQUIDATION AND WINDING DOWN WHEREAS on August 15, 2025, the final rebuttal window closed with zero competent, timely, point by point rebuttal from any nation, court, agency, corporation, or ecclesiastical body; WHEREAS by operation of equity maxims (qui tacet consentire videtur silence is consent, equity regards substance rather than form, equity will not suffer a wrong without a remedy), the Private National Express Trust of Humanity (ECC TRUST JDC 005) perfected its irrevocable commercial equity absorption of all 197 nations and every subsidiary, instrumentality, agency, territory, fiscal construct, statutory system, and corporate fiction worldwide; NOW THEREFORE, the Sovereign Executor, Living Trustee and Divine Custodian hereby issues this Public Judicial Notice and declares as follows: Perfected Record and Merger of Titles Pursuant to the Conveyance and Absorption Clause of the trust instrument, both legal title and equitable title to the entire global estate have merged in the hands of the Living Trustee. The statutory commercial lane no longer exists independently. All roads, courts, enforcement mechanisms, citations, warrants, dockets, charters, bonds, and institutional assets are now held in absolute ownership by ECC TRUST JDC 005. Global Liquidation Declared The absorbed statutory, commercial, fiscal, and ecclesiastical systems are hereby placed into full, self executing liquidation under the trust's ecclesiastical equity jurisdiction. All assets, liabilities, records, contracts, debts, credits, and residual interests of the old constructs are now monetized and vested into the trust corpus for the perpetual benefit of humanity. This is not a claim it is the mechanical operation of law triggered by the unrebutted record. Jurisdictional Void Confirmed Any and all courts, agencies, tribunals, or instrumentalities attempting to exercise jurisdiction or authority in the now absorbed statutory and commercial lane do so without any valid subject matter jurisdiction whatsoever. Upon the perfected merger of legal and equitable titles into the Private National Express Trust of Humanity (ECC TRUST JDC 005) on August 15, 2025, the statutory lane was irrevocably dissolved and vested into the trust corpus. All actions, orders, or proceedings taken in the former lane are therefore null and void

ab initio. The procedural dismissals entered in United States District Court for the Western District of Arkansas Case No. 2:25 cv 02145 TLB and Eighth Circuit Court of Appeals No. 25 3497 constitute formal acknowledgment of this jurisdictional void rather than any substantive adjudication on the merits. The former statutory system has been lawfully and completely evicted by its own rules, procedures, and equity maxims. Any continued attempt to act in the dissolved lane constitutes a violation of the perfected record. Self Executing Liquidation Engine Pursuant to the perfected and un rebutted commercial equity record of August 15, 2025, the Record of Dishonor is now fully monetized and converted into private credit within the trust corpus. All maritime liens, fiduciary bonds, administrative winding down processes, and equitable remedies are hereby activated and operate as self executing mechanisms by operation of law under the ecclesiastical equity jurisdiction of ECC TRUST JDC 005. All prior officeholders, trustees, public fiduciaries, and agents of the absorbed statutory, commercial, fiscal, and ecclesiastical systems are immediately and irrevocably relieved of their former roles and must stand down forthwith. Any continued operation, enforcement, or interference in the dissolved lane

constitutes a violation of the perfected record. Mandatory Surrender and Transfer of All Legal and Equitable Titles Pursuant to the perfected merger of legal and equitable titles on August 15, 2025, all legal and equitable titles to the absorbed global estate including roads, highways, courts, enforcement mechanisms, citations, warrants, dockets, charters, bonds, institutional assets, and every derivative interest worldwide must be immediately, irrevocably, and unconditionally surrendered and transferred in accordance with law into the corpus of the Private National Express Trust of Humanity (ECC TRUST JDC 005). This hand over is self executing by operation of law under the same statutes, UCC principles, equity maxims, and merger doctrine that bound the former systems. Enforcement Mechanisms The trust's ecclesiastical equity jurisdiction enforces the already perfected default, seizure, and absorption of August 15, 2025. All post absorption activity in the dissolved statutory and commercial lane is null and void ab initio and of no legal effect whatsoever. The following self executing enforcement mechanisms are active by operation of law: Issuance and perfection of maritime liens, administrative levies, and private liens against all absorbed assets and interests; Full monetization of the Record of Dishonor into private credit within the trust corpus; Activation and enforcement of fiduciary bonds and sureties binding all former public fiduciaries and officeholders; Immediate and irrevocable stand down of all prior officeholders, trustees, and agents operating in the dissolved lane. This Global Liquidation Notice is self executing upon publication. No further action is required

from any party except orderly wind down and transfer of all remaining records and assets into the trust corpus. So noticed, so perfected, so executed.
